Hi Jamie,

Everything went great...we did get to relax a bit at my sister's house Sunday and Monday, and made it back to FL late last night with no issues!

We were so thrilled with everything for the wedding, everything was so much fun...and as people predicted, it flew by so fast! I kind of felt like I floated through the weekend...

We did enjoy our dinner, thank you so much for offering to do that, I think I had 1 too many yummy mini-beef wellingtons at the cocktail hour and just couldn't eat another bite! Our dinners were amazing though when we could actually enjoy them!

Also, the set-up was beautiful and so many people commented on how much they enjoyed it!

Thank you again for everything you did for us, you really made a big difference in how the day went! Talk to you soon

Dear Jamie:

Just a quick note to say how wonderful the reception was for my daughter and new son-in-law on October 29, 2011. They chose Woodcliff because of how willing everyone was to work with them and listen to what they wanted. The event was exactly what they wanted! Our daughter also appreciated all of your recommendations in finding vendors for her big day.

The wedding party took advantage of the spa and relaxed and got pampered the morning of the wedding. About 90% of our guests were from out of town and enjoyed the accommodations and fall in upstate New York.

The food was terrific. I am still receiving comments on how great everything looked and tasted; from the cheese board and crudités to the actual dinner and wedding cake. We had a few special requests on meals including a true vegan. The staff prepared everything perfect and served without missing a beat!

Everyone was so full from the dinner they did not get to enjoy the small pastries on the coffee station! I have actually received thank you notes from our guests for being part of the wedding celebration and how much they enjoyed the day and dinner! Some of them have written to Woodcliff to get the recipes!

Thank you for all of your effort and to the staff for a great day.

Warmest regards,

Hi Jamie,

I have finally settled back to normal life after our honeymoon in Italy. I wanted to personally thank you for making my wedding exactly how I envisioned it. It was one of the most fun and special days of my life and I have you to thank. I wish I could throw an event like this every year!). Working with you and the Woodcliff was wonderful and very easy. My wedding was beautiful! Everyone keeps talking about how fabulous it was. They have been raving about the food nonstop. They said it felt warm and inviting and very upscale. I too felt the same way. While most of my night was a blur (which all brides warned me about) I have pictures and stories to help. I never felt stressed out because I knew you were always there to help. It truly was one of the best nights of both our lives. Freddy says he wishes we could relive it each weekend. He LOVED the lamb, he had it in Italy and commented, "I still think the Woodcliff is the best lamb I ever had". Thanks again for all you did. And I will always recommend the Woodcliff to anyone who asks for a place to hold a wedding or party. We will be back on our anniversary, you can bet on that. I am forever grateful to you!

Love,

Mary

Hello, Mr. Parrotta,

Best of luck to you in your current position! I will say, for myself, that it is primarily because of the excellent service Jason provided from beginning to end that made our wedding experience as exceptional as it was! The venue was perfect and we were lucky to have a beautiful day. However, again, I will say that the personal service and attention to details, questions and concerns were addressed in a timely way. Thank you! Please let us know if we can be of more service to you.

Sincerely,

Mrs. Kraham – Wedding on August 26, 2011
